

New store for Zany Zeus

Popular cheese-makers Zany Zeus are now offering their award-winning products at their first retail store, which has opened in Lower Hutt, near the company's milk and cheese factory. For the past 12 years Zany Zeus has supplied its boutique cheeses to eateries and supermarkets around the country. For the first time their entire range of cheeses and cultured products (crème fraiche, mascarpone, cream cheese and sour cream) will be available at retail. The store opening also sees the launch of a new range of smoked cheese, which includes smoked brinza, smoked ricotta, smoked paneer as well as smoked yoghurt. There will also be a new range of gourmet yoghurt with fresh fruit toppings, marinated feta in herbs and oils, and Zany Zeus' own premium ice-cream. Zany Zeus is at 149 Randwick Road in Moera, Lower Hutt. Open Wednesday to Sunday, 10am-5pm.
